Hi [REDACTED]

On the \$180,000 received today in the Fin International account at Wells Fargo, can you take the actions below today:

- (1) Please wire transfer \$36,400 to the same BOA account (see below)

BANK NAME: Bank of America

BANK ADDRESS: [REDACTED]

A/C NO: [REDACTED]

ABA NO: [REDACTED]

SWIFT CODE: [REDACTED]

BENEFICIARY: [REDACTED]

- (2) Please issue a bank (cashier's) check to me (Raymond Ho) for \$40,000 so that I can conduct further distributions from my end.
- (3) Please keep \$1,000 of the 1% fee for yourself via cash or check to your own account.
- (4) We should have about \$102,000 left in the account (excluding my own original fund of about \$1,000), which needs to be distributed later (i.e., after a holding period for which we can better handle or avoid any potential issues).

Thanks,

Raymond
